

GENNEXT™

Nature, optimized.

BIO CATALYST

STATEMENT OF COMPOSITION

19.00% Sodium Lignosulfonate
81.00% Inert Ingredients

ALSO CONTAINS NON-PLANT FOOD INGREDIENTS

GENERAL USE INSTRUCTIONS

Shake product prior to use. Maintain agitation during mixing and application. Wash sprayer and equipment immediately after application and before material dries in sprayer. This product can be mixed with most fertilizers and chemicals. A compatibility test should be performed prior to use.

APPLICATION INSTRUCTIONS

Apply GenNext C and D to all your green and tee areas. Always use equal amounts of both GenNext C and D diluted with water according to the chart below. Typical application rates range from **3 fl. oz through 20 fl. oz.** of both GenNext C and GenNext D per 1,000 square feet weekly or biweekly throughout the growing season. For faster, more intense results use the higher 10 fl. oz. application rate. Application must be tank mixed with a form of liquid or soluble Nitrogen (.060 - .10 lbs Nitrogen per 1,000 ft²) to provide the enzyme complex a readily available Nitrogen source. Exceptions can be made with high nitrate irrigation water sources as Nitrogen is consistently present in the soil.

Fluid Ounces GenNext C/1,000 sq. ft. (Gallons GenNext C/acre)	Fluid Ounces GenNext D/1,000 sq. ft. (Gallons GenNext D/acre)	Gallons Water/1,000 sq. ft. (Gallons Water/acre)
5 fl oz (1.7 gal)	5 fl oz (1.7 gal)	2.5 gal (109 gal)
6 fl oz (2.0 gal)	6 fl oz (2.0 gal)	2.5 gal (109 gal)
10 fl oz (3.4 gal)	10 fl oz (3.4 gal)	2.5 gal (109 gal)

- Keep out of direct sunlight during storage for extended period.
- Store at room temperature above 50° F/10°.
- Watering is advised after application, especially under hot conditions, to wash materials into the soil.
- Wash sprayer and equipment immediately after application and before material dries in sprayer.

MIXING TIP: Blend contents to be sprayed through tank strainer basket to ensure proper dilution of materials.

APPLICATION TIP: For best results, use either Flat Fan or Hollow Cone spray tips and remove inline screens to prevent clogging.

WARRANTY STATEMENT: Seller's guarantee shall be limited to the terms set out on the label and subject thereto, the buyer assumes the risk to persons or property arising from the use or handling of this product and accepts the product on this condition. GenNext Biotech, LLC warrants that the product conforms to the chemical description on the label and is reasonably fit for the purposes stated on such label only when used in accordance with the Application Instructions under normal use conditions. It is impossible to eliminate all risks inherently associated with the use of this product such as weather conditions, presence of other materials or the manner of use or application, all of which are beyond the control of GenNext Biotech, LLC. GenNext Biotech, LLC will not be liable for consequential, special or indirect damages resulting from the use or handling of this product. All such risks shall be assumed by the buyer.
