Potassium Sulfate, Ferrous Sulfate and Manganese Sulfate

GENERAL USE INSTRUCTIONS

Maintain agitation during mixing and application. Wash sprayer and equipment immediately after application and before material dries in sprayer. This product can be mixed with most fertilizers and chemicals.

A compatibility test should be performed prior to use.

APPLICATION INSTRUCTIONS

Spray on greens, fairways, and tees as a regular program to correct nutrient deficiencies.

Tank mix as an additive and corrective treatment to your regular fertility program.

RATES

One (1) 25 lb. bag covers 22,000-64,000 sq. ft.

APPLICATION RATE	DILUTION RATE
12.5 - 25 lbs. per acre	45 gallons per acre

- Keep out of direct sunlight during storage for extended period.
- Store at room temperature above 50° F/10°.
- Watering is advised after application, especially under hot conditions, to wash materials into the soil.
- Wash sprayer and equipment immediately after application and before material dries in sprayer.

MIXING TIP: Blend contents to be sprayed through tank strainer basket to ensure proper dilution of materials.

APPLICATION TIP: For best results, use either Flat Fan or Hollow Cone spray tips and remove inline screens to prevent clogging.

WARRANTY STATEMENT: Seller's guarantee shall be limited to the terms set out on the label and subject thereto, the buyer assumes the risk to persons or property arising from the use or handling of this product and accepts the product on this condition. GenNext Biotech, LLC warrants that the product conforms to the chemical description on the label and is reasonably fit for the purposes stated on such label only when used in accordance with the Application Instructions under normal use conditions. It is impossible to eliminate all risks inherently associated with the use of this product such as weather conditions, presence of other materials or the manner of use or application, all of which are beyond the control of GenNext Biotech, LLC. GenNext Biotech, LLC will not be liable for consequential, special or indirect damages resulting from the use or handling of this product. All such risks shall be assumed by the buyer.
